<https://zoom.com.cn/j/848699486>
to your computer or mobile phone.

Scan the QR
code to the link

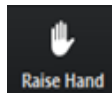

METHOD 2:

Enter <https://zoom.com.cn/j/848699486>
by **CHROME** browser without APP download.

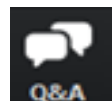

- Input 9-digit conference ID number
848 699 486 (Webinar on March 31st)
- E-mail & Phone no. are possibly required by
ZOOM for verification.

- Please check if you can hear the voice and see the
screen clearly in advance.
- A video will be played for test 30min before the
webinar starting.

- All the microphones except speaker's will
be muted.
- Your questions can be proposed after all the
presentations.

- If you are **Invited Guests**, please click **RAISE
HAND** button when you have questions.

- If you are **Audience**, please text your
questions to **Q&A** box. The host will pick
some of the questions for the speakers to
answer.

- If your questions are not answered, please
send them to support@jafron.com and we
will further reply you.
